Objective

Computer Science student with hands-on experience developing full-stack web applications using React, JavaScript, Node.js, Express.js, and MongoDB. Experienced in building responsive user interfaces, RESTful APIs, database-driven applications, and JWT-based authentication through personal and academic projects. Seeking an internship opportunity in frontend, backend, or full-stack development to apply and further develop my technical skills in a professional environment.

Projects

Task Manager System | *Personal Project*

2026

- Developed a full-stack task management platform using React, Node.js, Express.js, and MongoDB with secure JWT-based authentication and user-specific task management.
- Implemented CRUD operations with RESTful APIs, enabling users to create, update, delete, and manage their personal tasks.

Quiz App | *Final Year Project*

2026

- Developed a full-stack quiz application using React, Node.js, Express.js, and MongoDB, featuring SM-2 spaced repetition to optimize learning and improve long-term retention.
- Implemented adaptive difficulty adjustment based on user performance, along with manual difficulty selection for a personalized learning experience.
- Designed RESTful APIs and integrated dynamic question rendering with real-time score evaluation.

eCommerce Site | *Personal Project*

2025

- Built a functional ecommerce site using React and Tailwind CSS.

Technical Skills

Languages: JavaScript

Frameworks/Libraries: React, Node.js, Express.js, Mongoose

Databases: MongoDB

Tools & Platforms: Git, GitHub, Postman, VS Code, Vercel, Render

Core Concepts: REST APIs, JWT Authentication, MVC Architecture

Soft Skills: Team Coordination, Problem-Solving, Time Management

Education

Patan Multiple Campus (affiliated with Tribhuvan University)

Bachelor of Science in Computer Science & Information Technology

Final Year (8th Semester), Expected Graduation: November 2026

Jul. 2023 – Present

Patan-Dhoka, Lalitpur

Relevant Coursework: Data Structures, Algorithms Analysis, Database Management, Software Project Management, Object-Oriented Programming, Artificial Intelligence, Internet Technology

Languages

Nepali (Native), English (Intermediate)
